# Product Disclosure Statement

It is up to you to choose the cover you need. This document contains information which can help you decide.

There are two parts to this booklet. The first part is your Product Disclosure Statement (PDS) which details Important Information about this Policy and your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

The second part of this booklet is the Financial Services Guide (FSG) which provides information about who we are, who we do business with to provide you with insurance, how we and our business partners are paid, how to make a complaint and other details to help you decide whether to use any of the services offered by us.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

If you do not tell us about an existing medical condition for you or anyone in your travelling party there is no cover for any existing medical condition, and claims under other sections of the policy may be reduced to nil.
- There is no provision to suspend this policy during the period of insurance.
- You cannot substitute the nominated insured, whose name appears on the Certificate of Insurance, within the period of insurance. - You cannot purchase insurance more than 12 months prior to travel.

- 
- This policy ends once you have returned to your normal place of residence or work place within Australia provided you travel directly to your workplace or normal place of residence within Australia.   - Under this policy we provide cover for any trips you make within Australia or overseas during the 12 month period of insurance noted in the Certificate of Insurance which is issued to you.
  - The maximum duration of cover for any one trip is 60 days. For any trips longer than this duration please refer to section headed “Extensions” or contact Qantas or us.

## Matters you need to know about

### Your policy

Your policy is a contract between certain underwriters at Lloyd’s who deal with you through their agent nib Travel Services (Australia) Pty Ltd and you. Your agreement with us is set out in:

- the Policy wording;
- the Schedule of Benefits;
- your Certificate of Insurance; and
- any written endorsements we provide to you.

These documents make up your policy and should be carefully read together. It is important that they are kept in a safe place, together with evidence as to the value of any insured items.

### Taxation implications – Goods and services tax

Australian travel insurance includes a GST component. International travel insurance is GST exempt, including the cancellation cover and any domestic flights required to connect with your international flights.

You must tell us if you were entitled to claim an input tax credit on the premium at the time of making a claim under the policy. If you do not provide us with this information we may deduct up to 1/11th of the amount otherwise payable in settlement of your claim. In any event, if you suffer a loss and replace the lost item or are provided with goods or services in respect of the loss after you return to your normal place of residence within Australia, we will only reimburse you the amount of your loss in accordance with this policy, less any entitlement you have to an Input Tax Credit on the amount.

### Cooling Off Period

If, having purchased the policy, you want to return it, you can do so within 14 days of receiving the Certificate of Insurance and obtain a full refund, provided no right or power has been exercised under it by you (e.g. no claim has been made) and your trip has not commenced. Ask Qantas or go to [qantas.com/insurance](http://qantas.com/insurance) and we will arrange for a refund or reinstatement of the premium within 15 business days of you cancelling your policy. The Cooling Off Period does not apply to policy or trip extensions.

### Confirming transactions

A Certificate of Insurance must be issued once you have completed your application and you have paid the appropriate premium. If you want to confirm a transaction, for example whether the Certificate of Insurance has been issued or

---

additional benefits you purchased have been added to your policy, you may contact us in writing or by phone or go to [qantas.com/insurance](https://qantas.com/insurance). If you go to [qantas.com/insurance](https://qantas.com/insurance) you will need to enter personal identification information to access your travel insurance and view your policy.

## **Cancellation**

### **By you**

You may only cancel this policy during the 14 day Cooling Off Period. See the Cooling Off Period section for further details.

### **By us**

We can cancel your insurance in any way permitted by law, including if you have:

- failed to comply with your Duty of Disclosure; or
- made a misrepresentation to us before the policy was entered in to; or
- failed to comply with a provision of a policy, including failure to pay the premium; or
- made a fraudulent claim under this policy or any other current policy; or
- failed to notify us of a specific act or omission as required by the policy.

If we cancel your policy, we will do so by giving you written notice. We will deduct from the premium, an amount to cover the shortened period for which you have been insured by us and refund or reinstate to you what is left.

## **Updating this PDS**

We will update the information in this PDS when necessary. A paper copy of any updated information is available to you at no cost by calling us. We will issue you with a new PDS or a supplementary PDS, where the update is to correct a misleading or deceptive statement or an omission, which is materially adverse from the point of view of a reasonable person deciding whether to obtain this insurance.

## **Important notices**

### **Duty of Disclosure**

Before you enter into, vary or extend an insurance contract, you have a duty of disclosure under the Insurance Contracts Act 1984.

When amending or extending your contract of insurance, we will ask you specific questions about any change in your circumstances. You must tell us about any change to something you have previously told us, otherwise you will be taken to have told us that there is no change. You have this duty until we agree to insure, amend or extend the contract.

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
